

PLANT HIRE POS PROVIDER

About Us:

Founded in 2016, Crana Rail Ltd began as a self-drive RRV MEWP hire service, proudly supporting Tier 1 and Tier 2 suppliers across the rail industry. Our mission has always been simple: provide flexible, high-quality rail plant solutions exactly when they are needed.

Since 2024, Crana Rail has expanded its capabilities with:

- A full POS Licence
- Additional MEWP RRV's
- Our first heavy-lift Doosan RRV's with specialised attachments.

As a proud family-run business, we offer a highly personalised and hands-on service tailored to the unique needs of each client.

OUR RRV FLEET

We maintain a modern and versatile fleet of plant, all available for self-drive hire. Additionally, we can supply:

- *Fully trained and competent operators*
- *Experienced Machine Controllers*

This flexibility allows us to meet the full scope of your project needs – from straightforward hire to fully supported operations.

Digital, Paperless POS Solutions

At Crana Rail, we embrace technology to simplify your project management. Our fully digital, paperless POS pack gives clients and site staff instant access to:

- *Up-to-date site documents*
- *Backup templates*
- *Delivery and collection notes*
- *Timesheets*
- *Site diaries*
- *Progress reports*
- *Scheduling details*

All documents can be easily accessed via app and emailed upon request – ensuring full transparency and seamless communication.

POS Planning Made Simple

From your first enquiry, a dedicated planner will be assigned as your single point of contact, ensuring:

- *Clear and consistent communication*
- *Efficient planning and scheduling*
- *A streamlined process with no need to chase multiple departments*

Your projects deserve a team that makes things easier – and Crana Rail delivers.
